

HEARTH OVEN ARTISAN PIZZA

SNOHOMISH BAKERY & CAFÉ

920 First Street
Snohomish, WA 98290

Snohomish Bakery is proud to offer you its artisan pizza, made the old-fashioned way, with hand-tossed thin crust, homemade sauce, three Italian cheeses and fresh toppings, baked directly on stone. Like our famous hand-crafted breads, our pizza dough begins with a gentle knead in a spiral mixer, then is left to ferment eight hours before being hand tossed. The sauce is slow cooked with lots of spices, whole roasted garlic and Burgandy. Whole milk Mozzarella, Provolone and imported Parmesan finish off the classic pizza pie.
